15/10/2016 – 21/10/2016

Announcement for the 11th International Short Film Festival of Cyprus

Call for Entries - National and International Competition Sections

The Ministry of Education and Culture and the Rialto Theatre announce the call for entries of the International Short Film Festival of Cyprus (ISFFC).

The main objective of the ISFFC is the promotion of the cinematographic art by presenting a diverse programme of short films from around the globe, as well as to showcase the work of talented filmmakers who successfully use creative cinematic language forms and effectively tell a story in a short film. The Festival's aim is to promote and propagate short films and to develop a spirit of friendship and cooperation among filmmakers.

The Festival is held annually. Fiction, documentaries, experimental, student and animation short films not exceeding 25 minutes in length are eligible for participation in the festival's competition sections.

The Festival announces an open call for submissions of international short films via the reelport.com platform. National films may be submitted through the Festival website free of charge.

Cypriot films compete for both the International and the National awards of the Cyprus Ministry of Education and Culture. Cypriot Directors who live and work in Cyprus or abroad are entitled to submit their work. The right to participate is reserved to films being screened for the first time in Cyprus.

The Festival will take place at the Rialto Theatre in Limassol, from the 15th to the 21st of October 2016.

A five-member international Jury (the names of the jury members will be announced at a later stage) will award the prizes to the films competing in the National & International Competition sections.

Interested parties are invited to submit an entry form by the 15th of June 2016.
